

R2 ECO-ADVENTURE PARK

Bringing Outdoor Fun, Education & Volunteering To The People!

Eco-Sustainable Recreation

- ▣ R2 is in the process of finalizing a location to provide the public an outdoor recreational opportunity that virtually has a zero carbon footprint.
- ▣ R2's goal is to provide the public, outdoor recreational opportunities that benefits the community and preserves the biological and ecological identity of the environment.
- ▣ Comprehensive OUTDOOR Family Entertainment opportunity

About Us

- ▣ R2 is comprised of a team that specializes in recreational and educational opportunities for the public while at the same time preserving the ecological integrity of the land.
- ▣ Our team consists of engineers, designers, project managers and commercial contractors with experience in all facets of our mission statement.
 - Awarded a 2016 Sustainable Cities and Human Settlements award at the United Nations Conference on Housing and Sustainable Urban Development in Quito, Ecuador
 - Catalina Adventures – Zip Line
 - Builders of parks, universities, civic centers, libraries
 - ▣ LAUSD
 - ▣ LA County MTA
 - ▣ City of Los Angeles Rec. & Parks
 - ▣ Trustees of CSU
 - ▣ State of California
 - ▣ City of Los Angeles
 - ▣ City of Fullerton
 - ▣ U.S. Army Corps of Engineers
