

THE ACTON TOWN COUNCIL
Announces an
ACTON COMMUNITY PROTEST MEETING

When: Monday, September 14, 2020 at 6:30 pm

Where: The Acton Park

Why: To protest recent actions that have prevented Acton residents from fully participating in upcoming government actions on critical issues that face our community, including: town council elections; the doubling of train travel through our community; the "climate vulnerability" assessment survey that asks if residents in communities like Acton should be forced to retrofit any structures constructed after 2008 or just "bought out and relocated"; the proposed ban on all natural gas appliances, water heaters, and space heaters; an ordinance allowing people to live in RVs on residential lots; proposed industrial development; possible new BBQ restaurant; TESLA battery installation opportunities, updates on the proposed Dollar General and Car Lot developments; PSPS; High Speed Rail; and energy resiliency issues.

PLEASE COME AND MAKE YOUR VOICE HEARD!!!!

NOTE: Social distancing will be observed; a maximum of 100 participants are permitted. Please bring appropriate face coverings; portable chairs are recommended to ensure proper spacing can be achieved. Speaker practices adopted by the Los Angeles County Health Department and County officials at the County's June 8 2020 COVID-19 update will implemented.
