For more information please visit CleanLA.com or call (888) CLEAN LA.

COVID-19 Precautions

Do not attend if you have

1. Any COVID-19 symptoms
2. Been asked to quarantine
3. Recently traveled internationally

Wear a face covering

Stay in your vehicle with windows closed, if possible

CHEMICALS

- ◆ Carefully secure items in your trunk/pick-up bed. Hazardous waste must be in your trunk/pick-up bed with no other items.

PAINTS & SOLVENTS

- ◆ Waste should be in a sturdy box, preferably in their original containers. Be prepared to leave containers.

E-WASTE

- ◆ No explosives, ammunition, radioactive materials, controlled substances, trash, tires, or large appliances (like refrigerators, stoves and washing machines).

SHARPS

- ◆ Sharps disposal will require exiting your vehicle in a designated location to deposit them in a bin.

- ◆ Open to Los Angeles County residents. No business waste accepted.

- ◆ Limit of 15 gallons or 125 pounds of hazardous waste per trip.

Public Works
LOS ANGELES COUNTY

- ☒ HHW and E-Waste from businesses
- ☒ Explosives, ammunition and radioactive materials
- ☒ Trash and tires
- ☒ Large appliances (refrigerators, stoves, washing machines)

TOO TOXIC TO TRASH

Know Your HHW/E-Waste — Household hazardous waste is any product labeled toxic, poisonous, corrosive, flammable, combustible or irritant. Electronic Waste is any electronic device such as a TV, cell phone, electronic game, microwave, computer and a small household appliance.

How to Reduce Household Hazardous Waste

1. Buy Smart

Purchase non-toxic or less hazardous products and only purchase the amount you need.

For alternative non-hazardous recipes visit: pw.lacounty.gov/epd/hhw/alternative_recipes.pdf

2. Use It Up

Finish all products and recycle the containers or donate what is leftover.

3. Store Properly

Toxic products are poisonous - store them in a box until ready for disposal.

Keep products out of reach of children and pets.

Paint Recycling Made Convenient

California residents and businesses can now recycle leftover paint for free at local retail stores.

For program details and locations, visit PaintCare.org or call (855) 724-6809.

Donate what you
no longer need.

For more information or to find service locations for disposal of household batteries, used motor oil/filters and home-generated Sharps, please visit CleanLA.com or call (888) Clean LA.

ADA and Title VI Accommodations: Individuals requiring reasonable accommodations, interpretation services, and materials in other languages or in an alternate format may contact the Public Works coordinator at (626) 458-7901. Requests must be made one week in advance of the scheduled meeting date. Individuals with hearing or speech impairment may use California Relay Service 711.
