

Board of Forestry & Fire Protection

Good afternoon,

Your input is needed! The Board of Forestry and Fire Protection is developing a new 0-5 foot defensible space zone. We're asking California residents and business owners to help inform cost estimates for the implementation of these new science-driven defensible space standards. Please complete [this 5-10 minute survey](#), open through April 5.

Feel free to share with your networks using this link: <https://forms.office.com/g/peGA5QuDfn>

Thank you.

Please contact Edith Hannigan, Executive Officer, with any questions.
