Recently, U.S. SBA Administrator Isabella Casillas Guzman [announced a policy change granting 12 months of no payments and 0% interest](#). This pertains to all disaster loans approved in response to disasters declared on or after September 21, 2022, through September 30, 2023. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay.
